Agenda

A. 9:30 - Call to Order and Introductions – Committee Co-Chair

B. Discussion around bikes

- Bikes on TriMet information:

<https://trimet.org/bikes/index.htm>

- Types of bikes allowed on board:

<https://trimet.org/bikes/bikepolicies.htm>

Action items:

- What is the enforcement like of what bikes and other items that are not permitted on board vehicles.
- Is TriMet looking at an alternative to the current bike hooks on MAX? It's hard for some people to be able to hang bikes there who may not have the strength.
- Can TriMet update mobility devices allowed on board such as tandem bikes and trikes, which are now being utilized more by people with disabilities.
- Can TriMet create larger bike racks on bus to allow for larger bikes and tires?

- Can TriMet create more public relations around moving from priority sections for older adults and people with disabilities?
- Can the CAT be included in TriMet's work as they update the agencies bike plan?

C. Update on Outer S.E. Powell Blvd

Action items:

- Invite ODOT to committee meetings to provide updates on how access to transit is being included in the project.
- Where are the bus stops going to be placed and on average how far apart will they be?
- Where will bus shelters be placed throughout the project?
- How will bikes be integrating through bus stop platforms?

D. Open Committee Discussion

Action items:

- Committee would like to hear how enforcement of larger scooters, bikes and wagons work in priority sections.
- It was asked that TriMet looks into the accessibility of the stop at Columbia & 12th along with the stop just outside of the Powell Garage heading Westbound.
- It was asked for TriMet to look into a program similar to LA Metro that has cameras on agency vehicles that take pictures and fines drivers that are parked in bus lanes / stop locations.

E. 11:00 - Meeting Adjourned
